Website Design Services

Does your business need a website? Maybe you already have one but you'd like something more professional looking that you can update yourself. Or, maybe you want to publish a personal site or a blog but need some help with it. Whatever your needs are, Linden Web Design can help you. We will work closely with you to design a professional looking website with the functionality you require. Contact us for a free estimate!

Green Servers!

All websites hosted at Linden Web Design are on servers that are 100% powered and cooled by wind generated electricity. All electricity used for our servers comes from certified Renewable Energy Credits (RECs).

Domain Names

Linden Web Design offers domain name purchasing and transfers with domains starting at \$9.95. Go to www.LindenWebDesign.com to order yours today!

Website Hosting

Linden Web Design offers web hosting packages designed to be compatible with your Linden Web Designed website. With our hosting packages you will get the same personal service as you do with our design services.

All hosting packages run on CentOS Linux, which is identical to Red Hat Enterprise Linux and include:

- e-Mail
- C-Panel
- MySQL
- CGI
- FastCGI
- PHP 5
- Perl
- Python
- Ruby On Rails
- SSH
- SSI
- Cron
- Front Page
- Curl
- GD 2
- Image Magick
- Fantastico
- phpMyAdmin
- Web Based File Manger
- Website Statistics
- Raw Log Access

and much more all with a 99.9% uptime guarantee.

You do NOT need to pay us to design your website in order to host your site with us. We offer site building tools with every account as well as many popular applications such as Wordpress.

Pricing

Website Design Services

All websites are different and each one has a different cost. Please contact Linden Web Design at www.LindenWebDesign.com or 651-400-0593 for a free estimate for your website. We will discuss your needs with you and quote your website design project for free. You are under no obligation to purchase anything. A typical small business site consisting of 3 pages of user editable content with custom graphics and design runs around \$500.00.

Website Hosting
